RE: Docket #94-O-3
Docket #94-O-5

Dear Ms. Steele:

The State Employees Association, on behalf of Priscilla Dustin and Cheryl Corson, wishes to withdraw the above-referenced appeals scheduled to be heard on July 9, 1997.

Ms. Dustin retired from state service in the time it took to schedule the appeal. Additionally, the minimum requirements have undergone a revision that effectively prohibits all long-time employees, who do not have a college degree, from certifying, i.e. Ms. Corson. By removing the equivalency factor, the State has made a statement that it no longer recognizes experience on the job as of value in promotions.

Would you please contact me if you have any questions regarding this request.

Very truly yours,

Margo Steeves
