**Addendum #3 to RFP DES 2014-015 Wastewater Flow Metering Services**
**June 23, 2014**

**The Bid opening date is unchanged by the Addendum. Bid opening is June 30, 2014 at 3:00 pm at the WRBP Franklin WWTP.**

1. Attached is the standard state contract Agreement (Form P-37).

2. Proposing firms shall assume that there is no available utility power at any of the proposed flow meter locations. Subsequent negotiations with the selected flow metering service firm may include evaluation of the use of utility power if previously installed at a particular location.
