

New Hampshire Walk-In Centers, Urgent Care Centers and Retail Health Clinics

You can take care of 'minor' injuries or illnesses such as minor cuts, earaches, sprains or flu without going to the emergency room (ER). Most walk-in and urgent care centers are open 12 hours a day and many offer weekend hours.

Check the list below for your nearest centers. Please note that this list is likely to change. For the most updated listing, call the number on the back of your Anthem ID card and speak to a customer service representative.

31 Stiles Rd, Suite 1100, 603-890-2727

Need help deciding where to go?

Call **24/7 NurseLine at 800-607-3262** and speak to an experienced registered nurse, at any time, around the clock. You can discuss your symptoms and get help making a decision on whether you need care and, if so, the best place to get it.

Call 911 or go to the emergency room if you think delaying care could put your health at risk.
