APPEAL OF FRANCES INGERSOLL

The Personnel Appeals Board is in receipt of SEA Field Representative Jean Chellis' May 8, 1989 request for issuance of a formal decision in the retroactive pay appeal of Frances Ingersoll, an employee of the Division of Human Services, Department of Health and Human Services.

The Board, at its meeting of March 22, 1989, accepted the Division of Personnel's withdrawal of its objection to award of retroactive payment for the period during which Ms. Ingersoll's position of Secretary Typist was under review for reclassification, until she was promoted to a position of Case Technician Trainee. The Division had previously argued that the appeal was not timely.

The Board hereby orders that the agency make payment for retroactive compensation under the terms outlined above to Frances Ingersoll. Forms effecting such payment shall be forwarded to the Director of Personnel for approval, with a copy of this decision attached thereto.
