RE: Docket #94-C-2

I would like to withdraw my appeal of the Division of Personnel's decision to deny the commission's request for reclassification of my position from Administrator III to Administrator IV.

Currently, the commission is evaluating reorganization recommendations made by the LBA's Audit Division. If implemented, these recommendations would have a significant impact on the classification of this position as well as several others. We will ask for a review of those positions at that time.

Very Truly Yours,

NEW HAMPSHIRE STATE LIQUOR COMMISSION
