NEW HAMPSHIRE PERSONNEL APPEALS BOARD DECISION

Appeals of James Neri, Robert Pike, Andy Cox and Perry Killam

On May 20, 1986, the Personnel Appeals Board, Commissioners Haseltine, Allard and Platt sitting, heard the appeals of James Neri, Robert Pike, Andy Cox, and Perry Killam, Computer Application Programmers II, Salary Grade 22 with the Department of Employment Security. The appellants had appealed the Division of Personnel's denial of a request to upgrade their positions to Computer Application Programmers III, Salary Grade 24.

Both the appellants and Edward J. McCann of the Division of Personnel made written submissions to the Board prior to the hearing. After considering the testimony given at the hearing and the supporting documentation presented by the parties, the Board voted unanimously to uphold the recommendations of the Division of Personnel, continuing the appellants' position classification as Computer Application Programmer II. The appeal was therefore denied. The Board adopted as findings of fact, Mr. Edward J. McCann's report dated May 12, 1986.

Date: July 2, 1986
