Re: Withdrawal of Sullivan Appeal

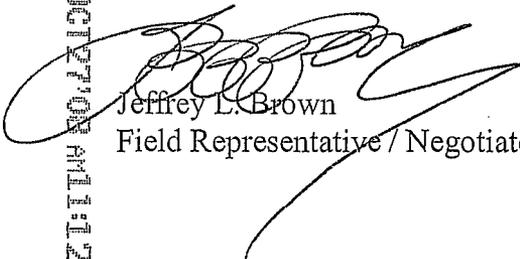

Dear Ms. Steele,

Please be advised that the State Employees Association formally withdraws the appeal submitted on behalf of Mr Timothy Sullivan, dated July 24,2008.

Subsequent to my filing the appeal, Sununu Youth Services Center and the SEA commenced settlement negotiations in this matter. I am pleased to report that those negotiations concluded successfully this morning with an agreement that the Letter of Reprimand is rescinded... SYSC will issue a Counseling Memo to Mr. Sullivan, instead. As this is acceptable to Mr Sullivan, we need not need to proceed further with the appeal.

Please allow me to take this opportunity to thank you for your time and consideration in this matter. If I can be of any further service, please contact me at 271-3411 x 107.

Sincerely,

Jeffrey L. Brown
