re: William Guay Promotion Appeal  
Hearing Request

Dear Ms. Spear:

By letter dated January 23, 1986 you requested a hearing on behalf of the above named individual, who was not selected for a Training and Development Therapist position at Laconia State School and Training Center.

As you know, by letter dated January 30, 1986 Peter Gamache stated they are reconsidering and re-interviewing candidates for this position.

Accordingly, this renders Mr. Guay's January 23, 1986 appeal moot since no final decision has been made by the Laconia State School and Training Center.

Very truly yours,

*Judy S. Bastian*
