FROM Vincent R. Perelli *VRP* AT (OFFICE) Waste Management

SUBJECT Waste Management Specialist IV Position

TO NH Personnel Appeals Board

---

It has recently come to my attention that a decision has **finally** been made regarding the Waste Management Specialist IV Position-Supervisor of the Program Implementation Section. This memo shall serve as notification of my decision to **withdraw** my March 1, 1994, request for a case review by the NH Personnel Appeals Board. I am happy to do my part to reduce the current case backlog which is rumored to be on the order of one plus years!
