NH Personnel Appeals Board
25 Capitol Street
Concord, NH 03301

RE: Docket #94-T-23

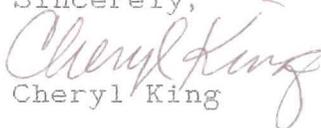

Dear Board:

For a variety of reasons, not the least of which is personal desire, I wish to drop my request for an appeal in this matter.

There are those who would argue that time heals all wounds. I believe life is short, time is precious and that we all have a day of reckoning.

Let each journey continue for all concerned.

Sincerely,

Cheryl King
