EXPLANATION

I am requesting the approval to exercise a 2-year extension provision allowed for statewide contract 8001919. The current contract was implemented on December 1, 2015 for three (3) years with additional extensions, as a result of RFB # 1775-16.

I have verified through System for Award Management that there are no records of debarment or exclusions listed. I have also surveyed Adjunct General's Office as well as the Department of Corrections and they have indicated that the vendor is performing well. The estimated FY-19 spend on this contract is \$100,000 annually.

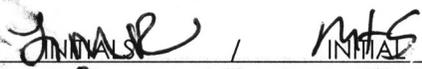

The vendor has agreed to extend under the same terms, conditions and pricing structure. I recommend the extension of the contracted based on the information provided above and believe that to do so would be in the best interest of the State.

1. The State of New Hampshire, acting through the Division of Plant and Property Management, engages the firm or individual ("the Vendor") to perform the services and/or sale of goods, described in the attached State documents, if any, and the Vendor's bid or quotation, both of which are incorporated herein by reference.

**8.2.2.** give the Vendor a written notice specifying the Event of Default and suspending all payments to be made under this agreement and ordering that the portion of the Contract Price, which would otherwise accrue to the Vendor during the period from the date of such notice until such time as the State determines that the Vendor has cured the Event of Default, shall never be paid to the Vendor; and
