EXPLANATION

I am requesting the approval to exercise a 2-year extension provision allowed for statewide contract 8001922. The current contract was implemented on November 3, 2015 for approximately three (3) years with additional extensions, as a result of RFB #1813-16.

I have verified through System for Award Management that there are no records of debarment or exclusions listed. I have also surveyed (Amy Farnum, Recycling Coordinator) and they have indicated that the vendor is performing well. The estimated FY-18 rebate on this contract is $87,000.00.

The vendor has agreed to extend under the same terms, conditions and pricing structure. I recommend the extension of the contracted based on the information provided above and believe that to do so would be in the best interest of the State.
