EXPLANATION

I am requesting the approval to exercise a two (2) year extension provision allowed for statewide contract 8002018. The current contract was implemented on April 28, 2016 for three (3) years with additional extensions.

I have verified through System for Award Management that there are no records of debarment or exclusions listed. The estimated FY-18 spend on this contract is \$462,435.00.

RFI 222-19 closed on February 12, 2019 and came back with favorable results in favor of the extension.

The vendor has agreed to extend under the same terms, conditions and pricing structure. I recommend the extension of the contracted based on the information provided above and believe that to do so would be in the best interest of the State.
