1. The State of New Hampshire, acting through the Division of Procurement and Support Services, engages the firm or individual ("the Vendor") to perform the services and/or sale of goods, described in the attached State documents, if any, and the Vendor’s bid or quotation, both of which are incorporated herein by reference.

2. COMPLIANCE BY VENDOR WITH LAWS AND REGULATIONS. In connection with the performance of this agreement, the Vendor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which shall impose any obligation or duty upon the Vendor, including, but not limited to civil rights and equal opportunity laws.

8.1.2. failure to submit any report required hereunder; or
8.1.3. failure to perform any of the other covenants and conditions of this agreement.

8.2.2. give the Vendor a written notice specifying the Event of Default and suspending all payments to be made under this agreement and ordering that the portion of the Contract Price, which would otherwise accrue to the Vendor during the period from the date of such notice until such time as the State determines that the Vendor has cured the Event of Default, shall never be paid to the Vendor; and
8.2.3. set off against any other obligation the State may owe to the Vendor any damages the State suffers by reason of any Event of Default; and

No express failure of any Event of Default shall be deemed a waiver of any provision hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions
hereof upon any further or other default on the part of the Vendor.

10. VENDOR’S RELATION TO THE STATE. In the performance of this agreement the Vendor is in all respects an independent contractor, and is neither an agent nor an employee of the State. This covenant shall survive the termination of this agreement.

12.1 PATENT PROTECTION. PUBLIC DISCLOSURE OF BID OR PROPOSAL SUBMISSIONS:
Generally, the full contents of any bid or proposal (including all materials submitted in connection with it, such as attachments, exhibits and addenda) become public information upon completion of final contract or purchase order negotiations with the selected vendor. Certain information concerning bids or proposals, including but not limited to pricing or scoring, is generally available to the public even before this time, in accordance with the provisions of RSA 21-G:37.
To the extent consistent with applicable state and federal laws and regulations, as determined by the State, including, but not limited to, RSA Chapter 91-A (the “Right-to-Know” Law), the State shall, after final negotiations with the selected vendor are complete, attempt to maintain the confidentiality of portions of a bid or proposal that are clearly and properly marked by a Vendor as confidential. Any and all information contained in or connected to a bid or proposal that a Vendor considers confidential shall be clearly designated in the following manner:

1. If the Vendor considers a portion of a page of a submission confidential, it shall highlight those portions of the page in yellow and note “confidential” beside the highlighting. Use of any other term, such as “proprietary”, “not for public use”, or “for client’s use only”, is not acceptable.

2. If a Vendor considers one or more full pages of a submission confidential, it may either highlight and mark those pages as noted above or, in the alternative, place those pages in a separate envelope marked “confidential,” clearly noting to which section or part of the bid or proposal the segregated materials pertain.

You shall also provide a letter to the person listed as the point of contact for this RFB or RFP, identifying the specific page number and section of the information you consider to be confidential information and provide your rationale for each designation.

The State shall have no obligation to maintain the confidentiality of any portion of a bid, proposal or related material, which is not marked in accordance with the foregoing provisions. It is specifically understood and agreed that the Vendor waives any claim of confidentiality as to any portion of a response to this RFB or RFP that is not marked as indicated above, and that unmarked (or improperly marked) submissions may be disseminated to any person, without limitation. Marking an entire bid, proposal, attachment or full sections thereof confidential without taking into consideration the public’s right to know shall neither be accepted nor honored by the State. Bids or proposals submitted with markings not in conformity with the foregoing provisions of this request for submission, or submitted without an explanation of the Vendor’s rationale for a confidentiality designation, may be deemed not to comply with the requirements of the bid or proposal (subject to correction and cure).

Notwithstanding any provision of this request for submission to the contrary, proposed pricing shall be subject to public disclosure. REGARDLESS of whether or not marked as confidential.

If a request is made to the State by any person or entity to view or receive copies of any portion of a proposal and if disclosure is not prohibited under RSA 21-G:37 or any other applicable law or regulation, Vendors acknowledge and agree that the State may disclose any and all portions of the proposal or related materials which is not marked as confidential. In the case of bids, proposals or related materials that contain portions marked confidential, the State shall assess what information it believes is subject to release; notify the Vendor that the request has been made; indicate what, if any, portions of the proposal or related material shall not be released; and notify the Vendor of the date it plans to release the materials. The State is not obligated to comply with a Vendor’s designation regarding confidentiality.

By submitting a bid or proposal, the Vendor agrees that unless it obtains and provides to the State, prior to the date specified in the notice described in the paragraph above, a court order valid and enforceable in the State of New Hampshire, at its sole expense, enjoining the release of the requested information, the State may release the information on the date specified in the notice without any liability to the Vendor.

Notwithstanding RSA 91-A:4, no information shall be available to the public, or to the members of the general court or its staff concerning specific responses to this bid invitation from the time this bid is published until the closing date for responses.

From the closing date of the bid until the award is made is considered “quiet time.” Bidders may not discuss their bid or anything specifically pertaining to the bid with any State entity (other than personnel from the Bureau of Purchase and Property, including the requesting/customer agency(ies)). If found in violation of this part, the bidder shall be found non-compliant and shall no longer be allowed to proceed in the award process.
