EXPLANATION

I am requesting the approval to exercise a one (1) year extension provision allowed for statewide contract 8002438. The current contract was implemented on November 1, 2018 for one (1) year with additional extensions.

I have verified through System for Award Management that there are no records of debarment or exclusions listed. The estimated FY-19 spend on this contract was $39,207.

RFI 2020-244 closed on September 25, 2019 and came back with results in favor of the extension.

The vendor has agreed to extend under the same terms, conditions and pricing structure. I recommend the extension of the contracted based on the information provided above and believe that to do so would be in the best interest of the State.
