OFFER:

Bidder hereby offers to furnish papers and envelopes to State of New Hampshire agencies and institutions and to any political sub-division and authorized non-profit organization wishing to participate at the prices indicated in the attached **Bid Offer Spreadsheet**, in accordance with all of the foregoing provisions.

Vendor's offer must meet or exceed the required specifications as written, including any for brightness or postconsumer waste content wherever indicated in the bid offer spreadsheet. Prices offered must include delivery. The State Bureau of Graphic Services shall have sole discretion to determine what meets or exceeds the required specifications.

BID OFFER SPREADSHEET:

When viewing this PDF bid document in Acrobat, the bid offer spreadsheet attachment can be opened by clicking on a paperclip icon on the left side of the screen. This is an Excel file to be used for entering pricing.

The Excel file has two worksheet tabs, visible at the bottom edge, left side:

Recycled Tab – (Attachment A) provides areas where you can enter pricing for any or all items, including those items for which recycled content may be required. It is not necessary to bid on every item.

Virgin Tab – (Attachment B) For those sections that required recycled paper under the Recycled Tab, this tab will provide an area where you may make offers on the same papers, but based on virgin fiber content. Where possible, please make notations about other environmental credentials such as FSC or SFI. Depending on these other credentials and the price differential between recycled and virgin, it may be possible for us to make award based on virgin paper in some cases.

Wherever you enter an offer in the spreadsheet, please give Price per M and carton price as indicated in the price spreadsheet. For multi-part carbonless products in section **V**, please express pricing in Price per M **sets**.

BID AWARD:

The award shall be made to the responsible Vendor(s) meeting the criteria established in this RFB and providing the lowest cost by line item. The unit pricing you enter for an item will be extended by the annualized historical usage rate to derive the net total for the item.

The State reserves the right to reject any or all bids or any part thereof and delete items to the contract price. If an award is made it shall be, in the form of a State of New Hampshire Contract(s).
