Department of Administrative Services  
State of New Hampshire  
25 Capitol Street  
Concord, NH 03301

Dear Commissioner Arlinghaus:

This letter represents formal notification that the Department of Information Technology (DoIT) has approved your agency’s request to enter into three (3) computer software reseller contracts 8002720, 8002727 and 8002728 with the vendors Software House International (SHI), Zones, and CDWG as described below and referenced as DoIT No. 2021-018.

This is a request for approval of three (3) computer software reseller contracts: Software House International (SHI), Zones, and CDWG. These statewide contracts will provide state agencies the opportunity to purchase software through multiple vendors and distribution partners at a competitive price.

These contracts shall become effective upon execution by Commissioner Arlinghaus through July 30, 2023.

A copy of this letter should accompany the Department of Administrative Services’ contract documentation through the approval process.

Sincerely,

REQUESTED ACTION

The Department of Administrative Services is requesting the approval of three (3) computer software reseller contracts 8002720, 8002727 and 8002728 with the vendors Software House International (VDR #175141), Zones (VDR#222860), and CDWG (VDR#269442). These contracts will have a three (3) year term, from August 1, 2020 through July 31, 2023 and will allow agencies the ability to purchase Department of Information Technology (DIT) approved software.

Prior Related Actions

The State awarded contract #8002065 to Software House International via RFB 1885-17 with a 3 year contract term August 1, 2016 through July 31, 2019. This contract allowed for two (2) one year extensions. Extension one was implemented August 1, 2019 ending January 31, 2020. Extension two, the current contact, was implemented February 1, 2020 and is expiring July 31, 2020. No extensions remain on this contract.

Alternatives and Benefits

RFB 2289-20 for the Computer Software reseller contract closed on 5/1/2020. After reviewing the bid responses a potential $1,450,043.60 cost savings over the 3 year term has been identified. This savings has been identified through the additional resellers Zones and CDWG in conjunction with SHL offering lower price points for our current standard software. Vendors were required to be a Microsoft Government Large Account reseller (LAR) and must be able to manage volume-licensing agreements with several other software publishers as well as provide software pre sales assistance, documentation, and volume license agreement administration at no additional cost to the State.

Based on the bid results the Department of Administrative services would like to move forward with awarding this contract to the three resellers SHL, Zones, and CDW. This would allow the vendors to bid against each other to assure that we have a competitive advantage and provide the potential to source software through multiple vendors and distribution partners.

- Agencies get multiple quotes (from the awarded resellers) for non-standard software items.
- Pricing for standard software would be updated monthly and posted to the DIT standards webpage.

Impact on Other State Agencies and Municipalities

These contracts shall provide agencies, and any eligible participants, multiple sources for the purchase of various software licenses.

For your review, I have attached the draft notice of contract for each vendor as well as the award spreadsheet for RFB 2289-20.

The State of New Hampshire, acting through the Division of Procurement and Support Services, engages the firm or individual ("the Vendor") to perform the services and/or sale of goods, described in the attached State documents, if any, and the Vendor's bid or quotation, both of which are incorporated herein by reference.

2. COMPLIANCE BY VENDOR WITH LAWS AND REGULATIONS. In connection with the performance of this agreement, the Vendor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities, which shall impose any obligation or duty upon the Vendor, including, but not limited to civil rights and equal opportunity laws.

8.2.1. give the Vendor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this agreement, effective two (2) days after giving the Vendor notice of termination; and

8.2.2. give the Vendor a written notice specifying the Event of Default and suspending all payments to be made under this agreement and ordering that the portion of the Contract Price, which would otherwise accrue to the Vendor during the period from the date of such notice until such time as the State determines that the Vendor has cured the Event of Default, shall never be paid to the Vendor; and

8.2.3. set off against any other obligation the State may owe to the Vendor any damages the State suffers by reason of any Event of Default; and

8.2.4. treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

No express failure of any Event of Default shall be deemed a waiver of any provision hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Vendor.

10. VENDOR’S RELATION TO THE STATE. In the performance of this agreement the Vendor is in all respects an independent contractor, and is neither an agent nor an employee of the State. **GOVERNING TERMS AND CONDITIONS:**
A responding bid that has been completed and signed by your representative shall constitute your company’s acceptance of all State of New Hampshire terms and conditions and shall legally obligate your company to these terms and conditions.

A signed response further signifies that from the time the bid is published (bid solicitation date and time) until a contract is awarded, no bidder shall offer or give, directly or indirectly, any gift, expense reimbursement, or honorarium, as defined by RSA 15-B, to any elected official, public official, public employee, constitutional official, or family member of any such official or employee who shall select, evaluate, or award the RFB. Furthermore, a signed response signifies that any terms and/or conditions that may be or have been submitted by the Vendor are specifically null and void and are not a part of this bid invitation or any awarded purchase order, even if said terms and/or conditions contain language to the contrary.

**PUBLIC DISCLOSURE OF BID OR PROPOSAL SUBMISSIONS:**
Generally, the full contents of any bid or proposal (including all materials submitted in connection with it, such as attachments, exhibits, addenda, and vendor presentations) become public information upon completion of final contract or purchase order negotiations with the selected vendor. Certain information concerning bids or proposals, including but not limited to pricing or scoring, is generally available to the public even before this time, in accordance with the provisions of NH RSA 21-G: 37.

To the extent consistent with applicable state and federal laws and regulations, as determined by the State, including, but not limited to, NH RSA Chapter 91-A (the “Right-to-Know” Law), the State shall, after final negotiations with the selected vendor are complete, attempt to maintain the confidentiality of portions of a bid or proposal that are clearly and properly marked by a bidder as confidential. Any and all information contained in or connected to a bid or proposal that a bidder considers confidential shall be clearly designated in the following manner:

If the bidder considers any portion of a submission confidential, they shall provide a separate copy of the full and complete document, fully redacting those portions by blacking them out and shall note on the applicable page or pages of the document that the redacted portion or portions are “confidential.” Use of any other term or method, such as stating that a document or portion thereof is “proprietary”, “not for public use”, or “for client’s use only”, is not acceptable. In addition to providing an additional fully redacted copy of the bid submission to the person listed as the point of contact on Page one (1) of this document, the identified information considered to be confidential must be accompanied by a separate letter stating the rationale for each item designated as confidential. In other words, the letter must specifically state why and under what legal authority each redaction has been made. Submissions which do not conform to these instructions by failing to include a redacted copy (if
required), by failing to include a letter specifying the rationale for each redaction, by failing to designate redactions in the manner required by these instructions, or by including redactions which are contrary to these instructions or operative law may be rejected by the State as not conforming to the requirements of the bid or proposal. The State will generally assume that a bid or proposal submitted without an additional redacted copy contains no information that the bidder deems confidential. Bids and proposals that contain no redactions, as well as redacted versions of submissions that have been accepted by the State, may be released to the public, including by means of posting on State web sites.

The State shall have no obligation to maintain the confidentiality of any portion of a bid, proposal or related material, which is not marked in accordance with the foregoing provisions. It is specifically understood and agreed that the bidder waives any claim of confidentiality as to any portion of a response to this RFB or RFP that is not marked as indicated above, and that unmarked (or improperly marked) submissions may be disseminated to any person, without limitation. Marking an entire bid, proposal, attachment or full sections thereof confidential without taking into consideration the public’s right to know shall neither be accepted nor honored by the State.

Notwithstanding any provision of this request for submission to the contrary, proposed pricing shall be subject to public disclosure REGARDLESS of whether or not marked as confidential.

If a request is made to the State by any person or entity to view or receive copies of any portion of a proposal and if disclosure is not prohibited under NH RSA 21-G:37 or any other applicable law or regulation, bidders acknowledge and agree that the State may disclose any and all portions of the proposal or related materials which is not marked as confidential. In the case of bids, proposals or related materials that contain portions marked confidential, the State shall assess what information it believes is subject to release; notify the bidder that the request has been made; indicate what, if any, portions of the proposal or related material shall not be released; and notify the bidder of the date it plans to release the materials. The State is not obligated to comply with a bidder’s designation regarding confidentiality. The State shall have no obligation to advise a bidder that an individual or entity is attempting to electronically access, or has been referred to, materials which have been made publicly available on the State’s web sites.

By submitting a bid or proposal, the bidder agrees that unless it obtains and provides to the State, prior to the date specified in the notice described in the paragraph above, a court order valid and enforceable in the State of New Hampshire, at its sole expense, enjoining the release of the requested information, the State may release the information on the date specified in the notice without any liability to the bidder.

Notwithstanding NH RSA 91-A:4, no information shall be available to the public, or to the members of the general court or its staff concerning specific responses to this bid invitation from the time this bid is published until the closing date for responses.

**ELIGIBLE PARTICIPANTS:**

Political sub-divisions (counties, cities, towns, school districts, special district or precinct, or any other governmental organization), or any nonprofit agency under the provisions of section 501c of the federal internal revenue code, are eligible to participate under this contract whenever said sub-division or nonprofit agency so desires. These entities are autonomous and may participate at their sole discretion. In doing so, they are entitled to the prices established under the contract. The maximum term of the contract (including extensions) shall not exceed five (5) years.
