INVOICING & PAYMENTS: All invoicing is to reflect contract number and all invoices are to be sent to the requesting agency. Payments may be made via ACH or P-Card

BALANCE OF PRODUCT LINE: Agencies may purchase other bridge related products used by Bridge Maintenance and all Bridge Builders. Agencies **may not** purchase items specifically listed on other statewide contracts.

Questions: Liz Moskalenko, Purchasing Agent
(603) 271-3290 or Elizabeth.Moskalenko@das.nh.gov

ORDERING PROCEDURE:

State agencies will place their orders by electronic order entry, by e-mail, by FAX, or they may establish a standard delivery order. Eligible participants will utilize their own individually established ordering procedures.

DELIVERY TIME:

Contractor shall be required to accomplish delivery of any item ordered under Sections 1-4 of the contract within five (5) business days from the placement of the order. Delivery of any item ordered under Section 5 must be accomplished within fifteen (15) business days from the placement of the order.

The use of a private carrier to make delivery **does not** relieve the successful Vendor from the responsibility of meeting the delivery requirement.

RETURNED GOODS:

Contractor shall resolve all order and invoice discrepancies within five (5) business days from notification. Products returned due to quality issues, duplicate shipments, over-shipments, etc. must be picked up by the Contractor within five (5) business days of notification with no restocking or freight charges, and must be replaced with specified products or the agency will be refunded/credited for the full purchase price. Unauthorized substitutions for any products are not allowed.

Standard stock products ordered in error by the State of New Hampshire must be returned for full credit within fifteen (15) business days of receipt. Products must be in re-saleable condition (original container, unused) and there will be no restocking fee charged for these products. The using agency will be responsible for any freight charges to return these items to the successful Vendor.

CONTRACTORS'S BALANCE OF PRODUCT LINE ITEMS

The items in each category include the items most commonly purchased by State of New Hampshire agencies, and will be used for award purposes. During the term of contract, the state may purchase other items in relation to the bid description from the Contractor's Balance of Product Line. All items ordered will include all shipping/charges as specified above in "Bid Prices".

MINIMUM ORDERS:

There will be no minimum order whether in item quantity or dollar value associated with any contract resulting from this bid.
