**PICK UP/DELIVERY:**  
Agency may pick up supplies at vendor’s place of business or vendor may deliver. Delivery fees must be included in original quote. Delivery will be within 10 working days of placement of orders.

Each vehicle used in transporting liquid bituminous material shall be weighed before and after loading, and the difference in weights will be used as the basis for computing pay quantities. When material is weighed, the individual weight slips which shall be furnished by the Contractor/Vendor for trucks, trailers or distributors shall show the following information: date, project name, number, slip number, material or commodity; dealer or vendor; contractor or subcontractor; the location of scales; time of loading, vehicle registration number or other approved legible identification mark; tare and net weights, with gross weights when applicable, and the scale operators name, signature or signed initials.

The right is reserved to weigh any truck, trailer, or distributor, at locations designated, before and after loading.

**ORDERING:**  
State agencies will place their orders direct to vendor by electronic order entry, by e-mail, by FAX, or they may establish a standard delivery order. Eligible participants will utilize their own individually established ordering procedures.

**MINIMUM ORDERS:**  
There is no minimum order required whether in product quantity or dollar value associated under this contract.

**F.O.B.:**  
F.O.B. Destination to any location within the State of New Hampshire

**BALANCE OF PRODUCT LINE ITEMS:**  
During the term of contract, the state may purchase other product in relation to asphalt from the successful Vendor’s Balance of Product Line. This shall include only the purchase of other asphalt related products.

Indicate the product names and percent off your current list price that will be offered for “Balance of Product Line” items. During the term of contract, the state may purchase other items in relation to the bid description from the successful Vendor’s Balance of Product Line.

**PRICES:**  
Prices shall be in US dollars and shall include all other costs required by this contract (delivery charges shall be priced separate). Any and all surcharges and fees shall be built into your bid price at the time of the bid (including credit card transaction fees or fuel charges of any kind (by whatever name)) and shall not be added on at any time.

Per Administrative Rule 606.01(e) “if there is a discrepancy between the unit price and the extension price in a response to an RFP, RFB or RFQ, the unit price shall be binding upon the vendor”.
