SPECIFICATION COMPLIANCE:**MINIMUM SPECIFICATIONS & NEW HAMPSHIRE STANDARDS FOR GRATES AND FRAMES:**

All castings furnished must be of minimum class 30 - 30,000 lb. iron.

All grates, frames, manhole covers, etc. are to be manufactured in the United States of America.

All dimensions will be as shown on New Hampshire standard sheets DR-1 DR-2 AND SL-1 with a tolerance of plus or minus one (1) percent.

AASHTO M 105 will govern quality of finish and workmanship unless otherwise specified. Prefabricated metal adjustment rings for catch basins, drop inlets and manholes shall conform to AASHTO M 105 also.

Each heat must be certified to be minimum class 30 irons by a domestic laboratory acceptable to the Department of Transportation, Chief Materials and Research Engineer. Steel grates shall be of structural steel conforming to AASHTO M 183M/M 183(ASTM A 36/A 36M). All grates shall be fabricated as shown on plans or as approved. All top edges shall be flush, and all rivets must be tight and properly headed. After fabrication, the grates shall be galvanized in accordance with AASHTO M 111 or ASTM A 153 as applicable.

Each casting shipment must be accompanied by a statement on the contractor's stationery guaranteeing that proper certification of the casting material has taken place.

The State reserves the right to test castings at random.

The State reserves the right to inspect laboratory certifications at its discretion.

Test costs will be borne by the State if castings tested meet the specifications of this proposal.

Should any castings fail, the costs of the test will be borne by the bidder.

All castings from the heat of a casting that fail to meet the minimum class 30 strength requirements will immediately be returned to the vendor without penalty. Castings already in the ground accepted.

The State reserves the right to demand immediate replacement of any component purchased from this contract that do not meet specifications

If the ASTM or AASHTO standard should change or be superseded, the most recent ASTM or AASHTO standard shall apply
