EXPLANATION

Cyber Security Insurance, first procured in 2017, is part of a strategic risk management plan to limit the State’s exposure to financial loss from a breach in our data security. DAS and the Department of Information Technology worked together to determine if the state’s coverage needs changed from the prior policy period. DAS also consulted with the Legislative Branch, Judicial Branch, State Treasury, and Secretary of State, who are also covered by this policy, to confirm that there have not been any cyber incidents on the policy.

USI Insurance Services (USI) arranged for this purchase in accordance with its contract with the State for Producer Services, approved by the Governor and Executive
Council on May 16, 2018 (item #73). USI made inquiries to seventeen insurance markets about the policy. Chubb was the only carrier who responded and required a minimum increase in the deductible from $300k to $500k. The other carriers either did not respond or declined due to the nature and size of state government operations.

State government is a diverse conglomerate of industries that may be subject to various data security and privacy breaches. According to USI, it is best practice for employers the size of the State to carry between $5m and $10m minimum in data and privacy cybersecurity coverage. Pre-pandemic ransomware and phishing attacks were on track to reach record high numbers. Today, with the spread of COVID-19, these attacks have increased because many organizations are forced to rely on the internet to maintain business continuity, whether it be working from home, online shopping and curbside pick-up services, or web-based meetings, resulting in increased vulnerability to cybersecurity threats. The volatility is resulting in increased premiums of 20% to 30% nationwide. These price increases are occurring at the same time as the State of New Hampshire and many businesses are working to control spending and related costs as revenues precipitously drop.

Although the State has been fortunate to avoid sizeable premium increases over the past three years, in part because we have made no claims under the policy, even adjusting the deductible up to $500k resulted in a twenty-four percent (24%) increase in premium. In an effort to contain costs and minimize spending, in this case General Fund spending, DAS worked with USI to explore other options to reduce total premium costs without compromising the total coverage. By increasing the deductible to $1m and treating the policy more as catastrophic protection, DAS was able to maintain a $10m policy and avoid an increase in premium. The total cost of premium for the new policy is $235,940, void of agency fee or commission, approximately 2% less than the previous year’s policy.

The policy includes coverage for business interruption, incident response, network extortion, and digital data recovery. Incident response coverage includes computer forensics, public relations, notification services, call center services, cyber extortion and ransom services, and legal and regulatory communications.

Due to the continuously evolving threats faced by the cyber security industry, policies like this only provide for a 12-month term with no option to extend. DAS will work with USI to monitor the market in anticipation of increased premiums in the future.

USI recommends that coverage be secured through Chubb. DAS concurs with that recommendation. I respectfully request your approval.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner
**AGREEMENT**

The State of New Hampshire and the Contractor hereby mutually agree as follows:

The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. The Contractor shall also comply with all applicable intellectual property laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3. The Contractor agrees to permit the State or United States access to any of the Contractor’s books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. 8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.
9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13.
