**ADDENDUM # 1 TO BID INVITATION # 55-21**

Posted: 10/8/2020

**DATE OF BID CLOSING:** 10/13/2020

**TIME OF BID CLOSING:** 11:00 AM (EST)

**FOR:** Furniture

**Question #1:**

Are you looking for 60 bunk beds with 4 bed ends and 2 sleeping surfaces each OR are you looking for 60 bunk-able beds with 2 bed ends and 1 sleeping surface each? Please confirm the number of sleeping surfaces required.

**Answer #1:**

It will be 120 bunk-able beds with 4 bed ends and 2 sleeping surfaces

**Question #2:**

Solid wood guard rails: Please confirm that you want a total of 120 guard rails. These guard rails are to be mounted on both sides of the top bunked bed. Is this correct?

**Answer #2:**

We do not want guard rails on the beds.

**Question #3:**

Please confirm solid decking sleeping surface: We understand this to be a 3-piece plywood sleeping surface versus a metal spring sleeping surface. Is this correct?

**Answer #3:**

This was brought up in the walk through we have done already and we stated we wanted the metal springs.

**Question #4:**

Do you require height adjustability in the sleeping surfaces?

**Answer #4:**

No

**Question #5:**

We were wondering if that time frame was an estimated delivery date. The current environment that we are in has slowed down production and even local areas need time in order to make items such as requested in this bid. Our usual lead time will be 8-10 weeks, will that be alright for this bid?

**Answer #5:**

An 8-10 Week lead time from date PO is received is fine.
