

**WHAT DO THESE BUSY PEOPLE HAVE IN COMMON?**

**They all got tested for colon cancer. If they made the time, so can you.**

Take care of your health and get tested for colon cancer if you're 50 or older.

To learn more about colorectal cancer risk factors, prevention, screening, diagnosis, treatment and more contact the American Cancer Society at 800-227-2345 or visit [www.cancer.org](http://www.cancer.org).

This project supported by the Centers for Disease Control and Prevention through collaborative agreement with the New Hampshire Colorectal Cancer Screening Program.
