

## The following guide will walk you through the steps to locate a Site of Service lab.

Please note that your search results will be most accurate if you log in once you reach the Anthem Provider Finder website. Logging in tells the search tool what plan you have and therefore the results will include your participating Site of Service lab locations.

If you have any questions or issues please call the Designated Service Unit at 800-933-8415 for assistance.

## State of New Hampshire Site of Service Benefit Option

Use your Site of Service benefit option to avoid paying a deductible on **lab tests** and **outpatient surgery**. Here's how it works:

### Lab Tests

Your doctor wants you to get a lab test. If you use one of the **labs** listed on Anthem's Provider Finder, you pay \$0 deductible. Whether you need a blood, urine or strep test, you have no out of pocket cost. That means no deductible or copay.

#### *Finding a Site of Service Lab Location*

- To find a lab near you, view our **independent lab flyer**, or for the most up-to-date listing click on this link to go to Anthem's **Provider Finder**.
- In order to ensure accurate search results, please log in when you reach the provider finder web page.
- Once you have selected a lab location using the provider finder tool, you can also display the location on a map.
- Click here for **step by step instructions on using the Provider Finder** to locate Site of Service lab locations near you.
- You can also contact these independent labs for the most up-to-date locations:
  - Quest Diagnostics®
  - LabCorp
  - ConVerge™ Diagnostic Services LLC
  - NorDx
  - Some hospital labs are also included. Check Provider Finder for a list of those lab locations.

You can also call the call the Designated Service Unit at 800-933-8415 for assistance.

### Outpatient Surgery

Your doctor asks you to get a routine outpatient service, like knee arthroscopy. If you use a Site of Service **ambulatory surgery center (ASC)** for same-day surgery, you will not pay a deductible for the covered service.\*

#### *Finding a Site of Service Outpatient Surgery/ASC Location*

- Click here to print the most **up to date listing of Site of Service Ambulatory Surgery Centers**. This is a comprehensive list of the Site of Service ASC centers.

You can also call the call the Designated Service Unit at 800-933-8415 for assistance.

From taking out your appendix to taking out your tonsils, Site of Service can save you money. View our **member flyer** to learn more and see a list of frequently asked questions!

Some Site of Service locations may also be Compass SmartShopper cost effective providers. Use a Site of Service location that is also a Compass provider and pay no deductible and earn an incentive! Check by calling Compass at 800-824-9127 or shopping on the Compass website.

SmartShopper  
powered by COMPASS®

[www.compassmartshopper.com](http://www.compassmartshopper.com)

\* Additional services may be required at the ASC as part of your surgery or procedure and be subject to deductible and/or coinsurance. An example of such a service is pathology (the study and diagnosis of a disease) or work that is not sent to one of the labs found on Anthem's Provider Finder.
