

# Enable Internet Explorer 10 Compatibility Mode

Some versions of Internet Explorer may require the browser be set to compatibility mode for the browser to work correctly with our site. **Internet Explorer 10** on **Windows 7** or **Windows 8** requires that the compatibility mode be set.

## Internet Explorer 10

By default **Internet Explorer 10** in **Windows 8** does not run in compatibility mode. To enable the compatibility mode for **Internet Explorer 10**, follow these steps:

1. Launch **Internet Explorer 10**
2. Press **tools, Compatibility View Settings**

3. Add **nh.gov** to the **Compatibility View Websites**.
