

## HOW DO I PAY MY RETIREE HEALTH BENEFIT MONTHLY PREMIUM?

The total monthly premium contribution amounts for your Retiree Health Benefits are deducted automatically from your New Hampshire Retirement System (NHRS) pension payment on the last day of each month.

If it is not possible to withhold the premium contribution amount from your NHRS pension payment, the DAS Risk Management Unit will direct bill you.

**To pay your bill, please make a check payable to: Treasurer, State of New Hampshire.**

**Send the check in the mail to:**

Risk Management Unit  
Department of Administrative Services  
25 Capitol Street  
Room 412  
Concord, NH 03301  
Attn: Finance Office

**You may also set up automatic payments through your bank.**

NOTE: At this time we cannot accept credit or debit card payments.

If you have any questions about your Retiree Health Benefits Premium Contribution, contact Risk Management Unit's Finance Office at 271-3079.
