Charles Richardson – Docket #2008-D-010, #2008-D-009 and #2008-T-010
Department of Health and Human Services/Nashua District Office

October 23, 2008

The New Hampshire Personnel Appeals Board (Bonafide, Johnson and Casey) met in public session on Wednesday, October 8, 2008, under the authority of RSA 21-1:58 and Chapters Per-A 100-200 of the NH Code of Administrative Rules, to hear Charles Richardson's appeals of two written warnings, and to conduct a prehearing conference regarding Mr. Richardson's appeal of his termination from employment. Attorney Jennifer Jones appeared on behalf of the Department of Health and Human Services. Neither Mr. Richardson, nor anyone representing him, appeared as scheduled. Neither Mr. Richardson, nor anyone representing him, contacted the Board to postpone the hearing or to advise the Board that Mr. Richardson would be unable to appear for the hearings and prehearing conference as scheduled.

In an order dated October 8, 2008, mailed to the parties that day, the Board permitted the appellant ten calendar days from the date of its order to submit a written response, showing good cause for failure to appear, advising the appellant that if he failed to respond or show good cause, all three of his appeals would be dismissed for lack of prosecution. Because the tenth day from the date of that order fell on a weekend, the appellant was given until the close of business on the next regularly scheduled business day (Monday, October 20, 2008) in which to respond.

As of the date above, the Board has received no response from the appellant. Accordingly, as set forth in its October 8, 2008 order, the appeals noted above have been dismissed with prejudice for lack of prosecution.
