Appeal of Katherine Abra – Docket #2013-T-004 **Department of Health and Human Services**

November 14, 2012

On October 24, 2012, the New Hampshire Personnel Appeals Board issued a notice to the above-named Katherine Abra relative to the appeal that she filed, and that was received by this Board, on October 12, 2012. In that order, the Board allowed Ms. Abra ten (10) calendar days in which to submit a written response to the Board and to the Department of Health and Human Services showing good cause why her appeal should be considered a timely appeal, and why her appeal should not be dismissed for violation of the Board's rules related to filing an appeal.

As of the above date, the Board has received no communication of any kind from Ms. Abra. As a result, at it's meeting on November 14, 2012, and in keeping with the Board's October 24, 2012 show-cause order, a quorum of the New Hampshire Personnel Appeals Board voted to DISMISS the appeal and close the file.
