Re: Appeal of Michael Cwikla  
Docket No. 2012-T-010 (Termination)  
NH Fish & Game Department

Dear Ms. Steele:

On May 7, 2012, the New Hampshire Fish and Game Department rescinded the April 9, 2012 termination letter with respect to Michael Cwikla. Mr. Cwikla has been reinstated as an employee. As a result, the appeal filed on his behalf is now moot. Please remove this case from the list of pre-hearing conferences set for May 9, 2012. I have discussed this matter with Attorney Linda Sullivan Leahy, counsel for Michael Cwikla.

Thank you for your assistance in this matter. Please call if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "E. Mulholland".
