

NUMBER OF PROPOSALS RECEIVED

On February 4, 2016, the New Hampshire Department of Health and Human Services, Division of Child Support Services published a Request for Proposals soliciting sealed bid proposals from responsible and qualified vendors for the provision of State Disbursement Unit (SDU) and Electronic Funds Transfer Services (EFT) in accordance with applicable federal and state authority. The specific services required are: the management and administration of child support billing to payors, the management and administration of child support billing to employers, the posting of child support payments received, the disbursement of DCSS-authorized monies to child support payees, the imaging and transmission of all payment information to DCSS, associated banking services and check writing, and all related services. The Contractor selected shall also be expected to process child support payments made via Electronic Funds Transfer/Electronic Data Interchange (EFT/EDI), check, money order, and cash

The Department is publishing this document to report the number of proposals received from vendors:

The Department received two (2) proposals.
