

Addendum 1 – Changes to the RFP

Section 5.1 of the RFP should be replaced with the following text:

5.1 Scoring Proposals

Each Proposal shall be evaluated and considered with regard to the Services proposed, qualifications of the Vendor and any Subcontractors, experience and qualifications of proposed Candidates and cost.

The State shall issue an Intent to Award notice to a Vendor based on these evaluations. Should the State be unable to reach an Agreement with the Vendor during Contract discussions, the State may then undertake Contract discussions with the second preferred Vendor and so on. Such discussions may continue at the sole option of the State, until an Agreement is reached, or all Proposals are rejected.

The State shall use a scoring scale of 100 points, which shall be applied to the Solution as a whole. Points will be distributed among three (3) factors:

20 points – Proposed Candidate’s experience and qualifications with type of requested Services (including any Subcontractor)

40 points – Proposed Solution Response to Requirements

40 points – Viability – Proposed Solution’s Financial Model and Sustainability

100 points - Total Possible Score

Appendix E-1.4 of the RFP should be replaced with the following text:
