| 32  | E-1         | E-1.1 & E-1.2 | I was looking to possibly submit this as an independent contractor instead of going through my hospital. Looking at Section IV (Corporate Qualifications) I'm wondering if this is not possible. I can answer the litigation piece but don't have anything I can answer for Corporate Overview and Financial Strength. Is there substitute information that can be provided that the state would consider to be acceptable? | The state is ok with an independent contractor submitting a response to this proposal. The state would consider a recent credit report and personal financial statement to be reasonable substitutes to comply E-1.2. Additionally, a resume highlighting an individual's relevant work experience would be a reasonable substitution for E-1.1. |
