ASS THE FOLLOWING FOR ALL LOCATIONS:

SCOPE OF SERVICES: (for all sections of RFB 2197-20)

Any work that applies to construction involving all state owned properties, the university system properties, community college system properties and by written request and acceptance from those municipalities that have not adopted an
enforcement mechanism pursuant to RSA 674:51, the Vendor will be responsible for obtaining work and inspection permits. Permits are required for new and renovation construction based on the provisions of the current NH State Building Code and applicable amendments. For further information:

The Vendors shall be responsible for obtaining permits, scheduling inspections, and being on site during inspection. The State agencies shall be invoiced for the permit, at no markup, as part of the services. The permit cost will be itemized on the detailed invoice at completion of work.
