ADDENDUM # 2 TO BID INVITATION # 222 -16

DATE OF BID OPENING: 5/17/16

TIME OF BID CLOSING: 1:30 PM (EST)

FOR: Audio Visual System – Supply & Install

Clarification:

Q: Our standard procedure lists cable paths as provided by others. Are there existing cable paths and will wiremold be required in any spaces? If yes, how much wiremold is needed?

A: (cable paths) Conduit will be run to the wall/floors but it will be the responsibility of the AV vendor to provide the connection to the specific equipment from that point on.

Q: Are we required to use prevailing wages or are there any union cost requirements needed?

A: There are no union cost requirements

Q: The training room is a divide combine space. Do you or will you have the sensor/switches in place so the control system will be able to tell if the wall are open or closed? These sensors/switches are normally provided by others.

A: The classroom is a divisible space. There are no sensors in the partition to advise the control system if it is opened or closed.

Q: Do you have a VoIP or POTS telephone interface in these rooms?

A: There will be VOIP lines in the rooms

Q: Do you have other items to control like lighting or shades?

A: Lighting will be controlled by switches and there will be manual blinds in the classroom for the windows.

Q: Any copies of AV Signal flow, Architectural Drawings including ceiling elevations, Electrical Drawings and the like that you could provide would be very helpful. As others have stated, usually these are provided so the bidders can be sure to be bidding on the same documented material.

A: There are no copies of the AV drawings aside from the basic floor plan that is available through a site visit.
