If there is a discrepancy between the unit price and the extension, the unit price will prevail.

When identical low bids are received the award will be made in accordance with the Administrative Rules.

Discounts will not be considered in making award but may be offered on the Invoice for earlier payment and will be applicable on the date of completion of delivery or receipt of Invoice, whichever is later. ASSIGNMENT PROVISION. The responding vendor hereby agrees to assign all causes of action that it may acquire under the antitrust laws of New Hampshire and the United States as the result of conspiracies, combinations, or contracts in restraint of trade which materially affect the price of goods or services obtained by the state under this contract if so requested by the State of New Hampshire.

FORM OF CONTRACT. The terms and conditions set forth in any additional Terms and Conditions by the Bureau of Purchase and Property are part of the bid and will apply to any contract awarded the responding vendor unless specific exceptions are taken and accepted and will prevail over any contrary provisions in Terms and Conditions submitted by the responding vendor.

CONTRACT TERMS AND CONDITIONS

1. The State of New Hampshire, acting through the Division of Plant and Property Management, engages the firm or individual ("the Vendor") to perform the services and/or sale of goods, described in the attached State documents, if any, and the Vendor's bid or quotation, both of which are incorporated herein by reference.

2. COMPLIANCE BY VENDOR WITH LAWS AND REGULATIONS. In connection with the performance of this agreement, the Vendor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which shall impose any obligation or duty upon the Vendor, including, but not limited to civil rights and equal opportunity laws.

3. TERM. The contract, and all obligations of the parties thereunder, shall become effective on a specified date and shall be completed in their entirety prior to a specified date. All payments shall be conditioned upon receipt, and approval by the State, of appropriate vouchers and upon satisfactory performance by the Vendor, as determined by the State. The payment by the State of the Contract Price shall constitute complete reimbursement to the Vendor for all expenses of any nature incurred by the Vendor in the performance by the Vendor and complete payment for the Services. The State shall have no other liability to the Vendor.

5. DELIVERY. If the vendor fails to furnish items and/or services in accordance with all requirements, including delivery, the state may repurchase similar items from any other source without competitive bidding, and the original vendor may be liable to the state for any excess costs. If a vendor is unable to complete delivery by the date specified, he must contact the using agency. However, the agency is not required to accept a delay to the original delivery date. All deliveries are subject to inspection and receiving procedure rules as established by the State of New Hampshire. Deliveries are not considered accepted until compliance with these rules has been established. State personnel signatures on shipping documents shall signify only the receipt of shipments. All deliveries shall be FOB Destination.

8.1.2. failure to submit any report required hereunder; or

8.1.3. failure to perform any of the other covenants and conditions of this agreement.

8.2. Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1. give the Vendor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this agreement, effective two (2) days after giving the Vendor notice of termination; and

8.2.2. give the Vendor a written notice specifying the Event of Default and suspending all payments to be made under this agreement and ordering that the portion of the Contract Price, which would otherwise accrue to the Vendor during the period from the date of such notice until such time as the State determines that the Vendor has cured the Event of Default, shall never be paid to the Vendor; and

8.2.3. set off against any other obligation the State may owe to the Vendor any damages the State suffers by reason of any Event of Default; and

8.2.4. treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

9. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express failure of any Event of Default shall be deemed a waiver of any provision hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Vendor.

10. VENDOR'S RELATION TO THE STATE. In the performance of this agreement the Vendor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

12.1 PATENT PROTECTION. The seller agrees to indemnify and defend the State of New Hampshire from all claims and losses resulting from alleged and actual patent infringements and further agrees to hold the State of New Hampshire harmless from any liability arising under RSA 382-A:2-312(3). PUBLIC DISCLOSURE OF BID SUBMISSIONS:

Generally, all bids and proposals (including all materials submitted in connection with them, such as attachments, exhibits and addenda) become public information upon the effective date of a resulting contract or purchase order. The State is not obligated to comply with a Vendor's designation regarding confidentiality.

By submitting a bid or proposal, the Vendor agrees that unless it obtains and provides to the State, prior to the date specified in the notice described in the paragraph above, a court order valid and enforceable in the State of New Hampshire, at its sole expense, enjoining the release of the requested information, the State may release the information on the date specified in the notice without any liability to the Vendor.

The annual value of the contract is estimated to be \$75,000. This figure is given for informational purposes only and shall not be considered a guaranteed or minimum figure, nor shall it be considered a maximum figure. This figure **does not** include any eligible participant figures.

ESTIMATED USAGE:

The quantities indicated in the offer section of this bid invitation are an estimate only for the State of New Hampshire's annual requirements. These quantities are indicated for informational purposes only and shall not be considered minimum or guaranteed quantities, nor shall they be considered maximum quantities. ESTABLISHMENT OF ACCOUNTS:

Each State of New Hampshire agency must have its own individual customer account number. There will be instances where sub-sections of an agency will need their own individual customer account number. Should any State of New Hampshire agency place an order under the contract, the successful Vendor agrees to establish an account within three business days from the date the order is placed. However, there must be no delay in any shipment; the agency must receive the items ordered in accordance with the delivery time required under the "Delivery Time" section of this bid invitation, as if an account already exists for them.

The using agency will be responsible for any freight charges to return these items to the successful Vendor.

Return authorizations and credits shall be provided without a restocking fee for all items except those, which are considered as "special order" items. For "special order" items any restocking fee must be indicated in writing to the requestor prior to delivery. Returns will be authorized for up to twelve (12) months from receipt of merchandise unless manufacturer states shorter shelf life.

<http://www.nh.gov/treasury/Divisions/DocsForms/Tforms.htm?inc=P>

Partial payments for an order may be allowed on an exception basis for items received when some of the items on an order have a long-term back order due to manufacturer delays. The partial payment for an order shall only be for items received, not for any items on back order.

CONTRACT AWARD:

The award shall be made to the responsible Vendor(s) meeting the criteria established in this RFB and providing the lowest cost by section, for each of the two (2) sections (Note that Section 1 has five (5) Sub-Sections). The State reserves the right to reject any or all bids or any part thereof and add/delete items/locations to the contract. Award will be made by full section only. Partial bids of a section will not be considered. Award(s) shall be in the form of a State of New Hampshire Contract(s).

The determination of "lowest pricing" will be based on each offer section and the corresponding percentage off Balance of Product Line. Each section will be worth 45% for a total of 90% and the corresponding Balance of Product Line for each section will be worth 5% for a total of 10%.

Successful Vendor will not be allowed to require any other type of order, nor will the successful Vendor be allowed to require the filling out or signing of any other document by State of New Hampshire personnel.

PRICE DECREASES:

During the contract period, the successful Vendor is required to immediately pass on general Vendor price decreases and any price decrease that reflects changes in the reseller's cost but may not increase prices.

The successful Vendor may offer additional discounts such as, quantity discounts, percent off or cash discounts for early payment, educational, special promotions, and sale pricing, etc. However, these discounts must be made available to all State Agencies when offered.

VENDOR'S BALANCE OF PRODUCT LINE ITEMS

The items in each category include the items most commonly purchased by State of New Hampshire agencies, and will be used for award purposes. During the term of contract, the state may purchase other items in relation to press, bindery and darkroom supplies from the successful Vendor's Balance of Product Line. All items ordered will include all shipping/charges as specified above in "Bid Prices".

In the offer section of the RFB, successful Vendor will be required to include Balance of Product Line pricing based on a percent (%) discount off published manufacturer's list pricing and percent (%) discounts for Press Water and Ink Rollers.

SPECIFICATION COMPLIANCE:

Vendor's offer must meet or exceed the required specifications as written. The State of New Hampshire shall be the sole determining factor of what meets or exceeds the required specifications.

Unless otherwise specified by the Bureau of Purchase and Property in this bid invitation document, all equipment offered by the Vendor must be new (and of the current model year, if applicable); shall not be used, rebuilt, refurbished; shall not have been used as demonstration equipment, and shall not have been placed anywhere for evaluation purposes.

You may bid different make(s) and model(s); however, your offer must match or exceed the one(s) indicated and you must demonstrate to the satisfaction of the purchasing Agency that they meet or exceed the minimum standards. Items that don't meet the minimum standards will not be accepted. Product literature and specifications may be enclosed.

MINIMUM ORDERS:

There will be no minimum order whether in item quantity or dollar value associated with any contract resulting from this bid.

SPECIAL ORDERS:

Special order items will have delivery or lead times expressed to ordering agency at time of order or inquiry. It will be the successful Vendor's responsibility to maintain communication with the manufacturer of the "special order" product to insure the special order item meets the stated delivery time. If the successful Vendor is notified by the manufacturer of an extended lead time over the original time quoted, the successful Vendor will contact the ordering agency and advise of extended delays. The ordering agency may approve the additional lead time or cancel the "special order" without penalty or fees. All quoted or stated delivery times will be communicated via verbal, telephone, fax or e-mail orders.

OUT OF STOCK/BACKORDERS:

If a commonly stocked inventory item is out of stock, the successful bidder is required to supply the ordered item(s) within the original delivery time frame. This effort would include checking other distribution branches or the factory (if applicable) for the requested product to expedite availability and delivery. If such arrangements cannot be made, the successful bidder must have the item(s) delivered within 7 days from original request or order.

The ordering agency may purchase items from another source (for items offered under contract) if the successful Vendor is out of stock at time of order.

All ordering agencies are allowed to cancel any item on back order status without penalties or fees by giving notice to the successful Vendor.

It will be the responsibility of the successful Vendor to contact the ordering agency as soon as possible when the "back order" or "special order product" has been received and is available for delivery.

WARRANTY REQUIREMENTS:
