EXPLANATION

I am requesting the approval to exercise a 1-year extension provision allowed for statewide contract 8001386. The current contract was implemented on June 1, 2012 for three (3) years with additional extensions, as a result of RFB # 1436-12.

I have verified through System for Award Management that there are no records of debarment or exclusions listed. I have also surveyed (Depart. Of Environmental Services, Public Health and Fish & Game) and they have indicated that the vendor is performing well. The estimated FY-15 spend on this contract(s) is \$ 30,000.00 annually.

The vendor has agreed to extend under the same terms, conditions and pricing structure. I recommend the extension of the contracted based on the information provided above and believe that to do so would be in the best interest of the State.
