It will be the bidder's responsibility to maintain communication with the "special order product" manufacturer to insure the special order item meets the stated delivery time. If the contract bidder is notified by the manufacturer of an extended lead time over the original time quoted, the bidder will contact the ordering contract user and advise of extended delays. At this point the contract user may approve the additional lead-time or cancel the special order without penalty or fees. All quoted or stated delivery times will be from the receipt of verbal, telephone, facsimile or e-mail orders.
