DATE 9-25-15

NOTE: This contract is a result ^{of} ~~to~~ RFB 1792-16 for Press, Bindery and Darkroom Supplies. The FY15 spend was approximately \$75,000. The award was determined by the lowest cost per Section (Section 2 not awarded due to increase costs and will be rebid at a later date). This Vendor's prices increased between 5-15% overall in the past 5 years. Negotiations were made to submitted prices which increased over 10%. Those increases were reduced by 15% off submitted pricing.

This contract is for two (2) years with an option to extend for an additional three (3) years. State agencies participated in a survey and provided changes per their operational needs. I have verified through the System for Award Management that there are no records of debarment or exclusions listed.
