\$500 SUBMIT REQUISITION

## **PURPOSE**

Any purchase of new mailroom equipment must be competitively bid out by the Bureau of Purchase and Property unless there is sufficient justification for a "sole source" purchase. Contractors shall submit bids using Contract # **ADSP011-00000411-2** pricing or better.

The State of New Hampshire intends to use the contract awards in two ways:

First – For purchases that would normally be put out for bid, our intention instead would be for the Bureau of Purchase and Property to request quotes from the awarded contractors in each Category and Sub-Category and to purchase the equipment from the contractor with the lowest pricing who meets the specifications of the purchasing agency.

Second – For equipment that would normally be purchased by the State as a "Sole Source" (purchase of equipment that would need to be compatible with existing equipment) we would purchase equipment from that particular manufacturer or their designated representative in the State.

Any agency requesting a "Sole Source" purchase must provide justification.

The State of New Hampshire reserves the right to put any item(s) out to bid at any time in the future and to pursue whatever process is in the best interest of the State.

## **SCOPE**

This contract is to be used for the purchase of new Mail Room Equipment, Services and Support.

## **DELIVERY**

Delivery is to be made FOB destination for any order.
