EFFECTIVE FROM: October 1, 2013 through September 30, 2015

CONTRACT EXTENSION: October 1, 2015 through September 30, 2018

TERMS: Net 30 Days

TERMS: F.O.B. Destination to any location within the State of New Hampshire

DELIVERY TIME: Five (5) business days

ORDERING: Orders may be placed direct to Contractor by fax, phone, e-mail, or in store/over the counter. All orders must include contract number, Agency 'Bill To' and delivery address, contact person, and telephone number. Eligible participants will utilize their own individually established ordering procedures.

If the contractor is unable to provide the contract item as specified or can provide but not within the contract delivery time stated, the agency shall send a request to purchase outside of the Statewide Contract to the Bureau of Purchase and Property (see contact below). The agency must include in this request; the name of the proposed Contractor, the quoted pricing and an explanation as to why a purchase outside of the Statewide Contract is required. Purchase and Property will then request a waiver from the Commissioner of Admin. Svs. If approved, the waiver will be forwarded back to the requestor to proceed with the purchase.

ELIGIBLE PARTICIPANTS:

Political sub-divisions (counties, cities, towns, school districts, special district or precinct, or any other governmental organization), or any nonprofit agency under the provisions of section 501c of the federal internal revenue code, are eligible to participate under this contract whenever said sub-division or nonprofit agency so desires. These entities are autonomous and may participate at their sole discretion. In doing so, they are entitled to the prices established under the contract. However, they are solely responsible for their association with the Contractor. The State of New Hampshire assumes no liability between the Contractor and any of these entities.

ORDERING PROCEDURE:

State agencies will place their orders by electronic order entry, by e-mail, by FAX, or they may establish a standard delivery order. Eligible participants will utilize their own individually established ordering procedures.

RETURNED GOODS:

The Contractor must resolve all order and invoice discrepancies within five business days from notification. Products returned due to quality issues, duplicate shipments, over-shipments, etc. must be picked up by the Contractor within five business days of notification with no restocking or freight charges, and must be replaced with specified products or the agency will be refunded/credited for the full purchase price. Unauthorized substitutions for any products are not allowed.

Standard stock products ordered in error by the State of New Hampshire must be returned for full credit within fifteen days of receipt. Products must be in re-saleable condition (original container, unused) and there will be no restocking fee charged for these products. The using agency will be responsible for any freight charges to return these items to the Contractor.

INVOICING:

Invoicing shall be done to the Agency Remit Account on the basis of each order completed. Invoices shall clearly indicate the quantity, description, packaging, date delivered, and contract price. Invoicing for eligible participants will be in accordance with their individual requirements.

WARRANTY REQUIREMENTS:

Contractor shall be required to warranty all of the equipment awarded to the Contractor for a period of not less than the manufacturer's standard period of time, from the date the items are received, inspected and accepted by the State of New Hampshire. The warranty shall cover 100% of all parts, shipping, labor, travel, lodging and expenses.

BALANCE OF PRODUCT LINES:

Agencies may also purchase other miscellaneous fasteners (clips, nuts, bolts, screws, anchors, etc.) under this contract provided there is not another State contract in place. Balance of Product Line Items shall be priced using the same discount/mark-up pricing structure as the contract items.
