## **PURPOSE**

The purpose of this bid invitation is to establish an agreement in the form of a multi-year contract for supplying the State of New Hampshire, through the Department of Administrative Services, with Demand Response Services in accordance with the requirements of this bid invitation, any resulting order, and any program rules set forth by the New England Independent System Operator (ISO-NE).

The Demand Response Program (DRP) that the State of New Hampshire (the State) is willing to participate in at this time is the Real-Time Demand Response Program. The State may consider expanding these services to other Load Response Programs (Real Time Price or Day-Ahead) offered by the successful bidder, at which time a mutually agreed upon Contract Amendment may be developed and executed.

## **PRICING**

The State receives Energy Payments of 85% in accordance with ISO-NE's compensation schedule.
