**SCOPE OF SERVICE:**

Services shall include, but shall not be limited to, the placement of requested size and type of recycling containers per each location, and the collection, hauling, and legal disposal of the recyclable materials at an approved site. Services shall be conducted during the business hours of 7:00 a.m. to 5 p.m. unless other mutually agreed upon times are arranged between the Contractor and the requesting agency. The Contractor shall perform routine maintenance and repair on all equipment required to provide recycling collection and removal service. Locks shall be provided to requesting locations at no additional cost to the State. All labor, tools, transportation, disposal costs, materials, equipment and permits required to perform recycling removal and disposal shall be the responsibility of the Contractor. All material shall be disposed of at a proper, legal recycling center.

The State reserves the right to change the size of the container, or the frequency of pick-up, for any of the locations throughout the term of the contract in the future as agreeable between the parties. The Contractor may also suggest "right sizing" varying in sizes and/or frequency to each location for cost effectiveness. All requests for change shall be made by the Contracting Officer.
