Healthy Lifestyles features and benefits

Working toward a healthier you?

Healthy Lifestyles is here to help.

You’ve had access to Healthy Lifestyles for a while now. You’ve had the chance to complete a Well-Being Assessment (known as the Health Assessment Tool, or HAT) to gain a clear picture of your health each year and to create a Well-Being Plan.

No matter what health area you’re working on – weight management, exercise and fitness, tobacco cessation, healthy eating, stress management or something else – Healthy Lifestyles is here to help you reach your health goals.

We’re also here to help motivate and inspire you. When you work for the State of New Hampshire and you use the Healthy Lifestyles website, you can work your way toward 5,000 points for a $100 Health Reward.

You’ll also receive motivational and informational emails from us every month to help you on your journey. And when you define what inspires you to be healthy and journal about your inspiration, you’ll deepen your commitment and earn points, too. You can’t lose.
